

2017 TLA CONVENTION & TRADE SHOW

Re: Ladies Luncheon Donation Request

The 74th Annual Truck Loggers Association Convention & Trade Show takes place on January 18 - 20, 2017 in Vancouver, BC. This annual event attracts international, national, and regional attention. This year's theme is ***"BC Forestry - In it for the Long Run"*** and plans are well underway to make this a successful event.

The TLA is the official voice of the independent forest contractors located throughout BC's coastal region. The TLA shares a commitment with its over 450 member companies to promote a healthy, working and sustainable forest industry, and to foster communication and education within communities and governments.

The TLA Ladies Luncheon event will take place on Friday, January 20, 2017 and features Lotte Davis, the CEO and Co-Founder of AG Hair, the only manufacturer of professional hair care products in Canada, with distribution in over 15,000 salons and beauty stores across North America, Taiwan and Australia.

In addition to building her company into a well-renowned and respected beauty brand, Davis has worked tirelessly to demonstrate that AG Hair cares.

In 2008, she began building schools for girls in some of the poorest regions in Africa with funding from AG Hair promotions and AG's salon partners.

Lotte is the 2016 winner of the YWCA Women of Distinction award for Entrepreneurship and Innovation.

****All proceeds from the event will be donated to BC Children's Hospital.***
