

This IRIS Eyecare Benefit Certificate is only valid for members of The Truck Loggers Association and their immediate family*. To redeem this certificate, print and present this page together with proof of employment or Student ID.

To receive Vision Correction Surgery a complimentary consultation must be performed by an IRIS Doctor of Optometry. If you are determined eligible for surgery, present this Certificate and your proof of employment or Student ID upon payment.

Book a complimentary consultation for you and your family. Visit iris.ca/consultation or call **1.800.474.7429** to make an appointment.

VISION CORRECTION

IRIS EYECARE BENEFITS PROGRAM

\$500 Certificate
for Vision Correction Surgery.

Certificate is redeemable while the IRIS Eyecare Benefits Program agreement is in force between IRIS and your company. One Certificate per patient. Present this Certificate upon payment of surgery. Vision correction surgery is performed by an ophthalmologist at the IRIS Ophthalmology Clinic in Langley, BC or Laval, QC. The ophthalmologist has the professional right to refuse treatment of patients that are not candidates for surgery, without compensation to the patient.
